
**Vivashop Your Ultimate Responsive Cs Cart
Theme Nulled VERIFIED**

[Download](#)

i have two web sites and am planning on moving those to vivashop.. after doing a quick setup, the basic theme is nice and easy to customize. i personally like the way the footer works. this theme makes it much easier to customize and, more importantly, look and feel of the site. i think it would be helpful if there were a few more sample sites that allowed you to look at specific pages like (example - viewing cart) hello,i am a programmer and i have a problem with this template. unfortunately i can't use the theme because i need to make some changes (i prefer to change the theme, but can't).i can't find out how to change the way the site looks. cs-cart ultimate v 4.15.1 (sp2) ipb.global.registerreputation('rep_post_185299', { domlikestripid: 'like_post_185299', app: 'forums', type: 'pid', typeid: '185299' }, parseint('1')); back to top var pid = parseint(185299); if (pid > ipb.topic.toppid){ ipb.toppid = pid; } // show multiquote for js browsers if (\$('multiq_185299')) { \$('multiq_185299').show(); }) { \$('toggle_post_185299').show(); } // add perm data ipb.deleteperms[185299] = { 'candelele' : 0, 'cansoftdelete' : 0 }; flow super duper and amazingly sexy senior members join date: 13-oct 10 2441 posts posted 08 june 2014 - 06:32 am #5 bug fixes: [!] in product lists with the grid template, an image blank sample displayed beyond the screen framework of a cell when there was no product image. fixed. [!] in products list with the grid template and active setting theme settings product lists show product mini icons gallery in the product list could be displayed adjoining image from gallery in some cases. [!] in product lists with the grid template and active buttons view add to cart and buy now with 1-click adaptivity of buttons was broken on iphone mobile devices with the screen resolution 320px. [!] comments and reviews add-on. on the product page at the condition that tab reviews was displayed in a popup window, window content was scrolled outside the screen when clicking the link reviews. [!] on the product page in variation list, there was no availability status at products that were out of stock. [!] on the product page with the by default template, hidden links could appear in a form that transfered to the home page. [!] ab: video gallery of the product add-on. on the product page when the ab: stickers add-on was not installed and ab: video gallery of the product add-on was active with a vertical position of gallery, labels with discount covered mini-icons of the gallery.
