Internet Searches: BONUS: 30 Days To Mega-Success On Google. This program offers you the ability to rank your website on Google or any other search engine in as little as 30 days and without breaking the bank. The trick here is to use a software called: Keyword Discoveror. I have never had any luck ranking websites by searching on Google. They simply do not rank correctly. However, this software has consistently and predictably and in most cases overnight, gotten my sites to rank #1 for at least one term and up to three terms on Google, Yahoo and MSN simultaneously. This includes those sites I have tried, sites I have NEVER tried and sites I have never even heard of! I even had a #1 position on Yahoo for a site that I made 5 years ago! I did not know I had it ranked until last week. I don't know what happened to it. Click here to download Keyword Discoveror. INSTRUCTIONS: 1. Run Keyword Discoveror and enter the URL of the site you wish to rank. 2. Click SEARCH 3. A list of related terms will come up. Select at least 3-4 that YOU believe are related to the site. 4. Click SEARCH 5. Verify the "KEYWORDS" that show up on the main page of Google, Yahoo, MSN and wherever you are searching. They should be close to what you have just selected in step 3. 6. Use these keywords in the html code of the site. 7. Submit the site and immediately check back to see if it has come up. 8. Keep doing this everyday for 30 days. CHECK THESE OUT! 1.
